VISION:
For our people to one day look back and see the
difference we have made

BUSINESS LEADERS | ECO- CENTRIC INDIVIDUALS | VISIONARIES | ENTREPRENEURIAL VISIONARIES

[Fees & Funding]

PRE-VERIFICATION FEE

The Pre-Verification Fee is payable on application. All applicants applying for accredited and registered qualifications are required to be pre-verified by the Registrar. The Pre-Verification Fee can be paid by credit card or direct EFT.

This process ensures that:

- Your documents are legitimate
- Your inputted data is the same as that on your uploaded documents
- You meet the minimum requirements for the qualification you have selected
- You are eligible to study at Inscape.
- Once you have been successfully pre-verified by the Registrar, you may continue with the application process.

The following terms and conditions apply for accredited programmes:

- The Pre-Verification Fee (accredited programmes only) is non-refundable and is in addition to the Total Fee.

TUITION FEE

Inscape Tuition Fee includes:

- Continuous project-based assessment
- Custom designed curriculum and courseware
- Student dashboards encouraging individual responsibility for learning
- Industry collaborative engagements (where applicable)
- Online library and resources
- Industry relevant and suitably qualified lecturers and assessors
- Student support
- Access to virtual learning tools and remote support to ensure academic continuity.

STUDY PACK

Course dependent

- Textbooks (where applicable)
- LinkedIn Learning
- Course-specific software licenses
- Online library subscription
- Grammarly
- Digital Student Card
- ProQuest

Benefit of Inscape Fee Structure

STEP 1

PRE-VERIFICATION FEE

The Pre-Verification Fee is payable on application. All applicants applying for accredited and registered qualifications are required to be pre-verified by the Registrar. The Pre-Verification fee can be paid by credit card or direct EFT.

Inscape Benefits:

- Seamless application process
- Seamless enrolment process

STEP 2

TUITION & STUDY PACK

Tuition Fees include; lecturer and assessment fees, courseware including briefs or assignments, student support, a student card and additional resources.

Inscape Benefits:

- Pay up to 55% less on software licenses
- Registered and Accredited qualifications
- Qualified, industry relevant lecturers and assessors

Admission Requirements

BACHELOR OF ARTS HONOURS IN DESIGN

Existing (NQF level 7) Bachelor of Design or Bachelor of Arts in Design or degree in a related field, or an Advanced Diploma in Design or related field may gain access to the Bachelor of Arts Honours in Design. Students must have attained a minimum average of 60% in the final level of study in order to be accepted into the programme.

Applications from students who wish to gain access through RPL will be considered. The RPL process is described in the [Inscape Admissions Policy](#) and Inscape RPL Application form. Contact the Registrar at registrar@inscape.co.za for more detail on the RPL process.

ADVANCED DIPLOMA IN USER EXPERIENCE DESIGN

- Students may be accepted into the Inscape Advanced Diploma in User Experience Design if they have a Diploma or Degree in Design or one of the fields of Design at NQF Level 6 or 7.
- Applications from learners who are qualified in other fields or who wish to take the Recognition of Prior Learning (RPL) route will be considered. Learners seeking access to the Advanced Diploma in User Experience Design who do not have an appropriate entrance qualification may be considered for the RPL route but will only be admitted at the Academic Committee's discretion in accordance with the institutions RPL policy. An RPL assessment process is used to evaluate the knowledge and skills of learners wishing to gain access, credits or advanced standing. Supporting documents must be submitted to provide evidence of knowledge, skills and values and should include but are not limited to a curriculum vitae with a detailed work history, portfolios of completed work, workplace training schedules and examples, certificates for appropriate non-accredited software training and reference letters from workplace supervisors. Examples must have been completed within the past five years. The RPL process is described in the [Inscape Admissions Policy](#) and Inscape RPL Application form. Contact registrar@inscape.co.za

Additional Requirement for International Students

For admissions to the Advanced Diploma in User Experience Design programme, any foreign qualification at an equivalent level to the NQF level 6 must be submitted to South African Qualifications Authority (SAQA) for evaluation of equivalence. Once this has been confirmed and Inscape has received the documentation the application will be considered.

Admission Requirements

HIGHER CERTIFICATE

National Senior Certificate (NSC) with admission to a Higher Certificate, with English as a subject. Applications from students who wish to gain access through RPL will be considered. The RPL process is described in the [Inscape Admissions Policy](#) and Inscape RPL Application form. Contact registrar@inscape.co.za

Additional for International Students:

For admission to Higher Certificate: South African Qualifications Authority (SAQA) evaluation of National Senior Certificate NQF4 equivalence.

MISSION:

To ensure that every active participant is work-ready, life-ready, society-ready and challenge-ready.

DISTANCE STATIONERY LIST

PLEASE NOTE:

No brand names are mentioned. Better brands are usually more expensive, but they will make the learning experience easier and result in better quality projects. When making your purchases, please ask art shop assistants for good quality alternatives for students. Always consult with your lecturers for specific projects.

There will be consumables that will remain an ongoing cost. Your lecturer will identify what materials are needed for each brief.

No brand names are mentioned. Better brands are usually more expensive, but they will make the learning experience easier and result in better quality projects. When making your purchases, please ask art shop assistants for good quality alternatives for students. Always consult with your lecturers for specific projects.

Sewing Machines: You will need a machine after the first few modules. There is no need to rush out and buy one now.

If you are unsure of whether you will continue a fashion design career purchase a less expensive entry level machine.

If however you feel that fashion will be a lifelong passion rather invest in a good quality domestic machine and overlocker /serger. There will be consumables that will remain an ongoing cost. Your lecturer will identify what materials are needed for each brief.

Higher Certificate in Fashion

HIGHER CERTIFICATE IN FASHION DESIGN STATIONERY TO BE PURCHASED BY THE STUDENT

1 x Straight stitch sewing machine
1 x Overlocker
1 x Fabric Scissors
Small sharp fabric Scissors
1 x Measuring tape

DISTANCE STATIONERY LIST

PLEASE NOTE:

No brand names are mentioned. Better brands are usually more expensive, but they will make the learning experience easier and result in better quality projects. When making your purchases, please ask art shop assistants for good quality alternatives for students. Always consult with your lecturers for specific projects.

There will be consumables that will remain an ongoing cost. Your lecturer will identify what materials are needed for each brief.
