BACHELOR OF DESIGN IN INTERIOR DESIGN

3 Years Full-Time Contact Learning

WHY STUDY THIS QUALIFICATION?

- A degree that turns you into a design guru that focuses on the aesthetics & functionality of interior spaces.
Become an expert in all the latest trends, technology, construction materials.
- The course focuses on the built environment, including: Corporate, Retail, Furniture design, space planning.

POSSIBLE CAREER PATH BUILDING INDUSTRY

Assisting a built environment firm such as a **development, interior design or project management firm** working on new design projects. They want to follow the latest trends while also considering the user's psychological, emotional and physical needs by developing concepts, producing digital technical drawings and seeing the project through to completion.

CONSULTING FIRM /EXHIBITION/ TV/MAGAZINES

A **consulting, exhibition** firm is working on a new project that requires a specialist in a focused area of design such as exhibition design. This allows for you to focus on creating displays and fixtures that suit spaces such as museums, tradeshow & conferences. One can also work in TV & for print magazines by designing & styling sets that are appropriate for the production.

POSSIBLE CAREER PATH

MANUFACTURING/FURNITURE DESIGN

The **manufacturer of a product, textile or furniture** or a company coming up with a new idea is looking to develop a range of products that set them apart & help them to get an edge on the market. You are able to assist them in creating a solution that is cohesive, aesthetically pleasing, functional & profitable.

FOR ALL ABOVE CAREERS

They need a **SPECIALIST** designer with a focus on interior design!
Someone with a degree in Interior Design.

POSSIBLE JOBS

DESIGNER

Work as a **DESIGNER** in any field or industry that requires Interior Design expertise:

- Furniture
- Real Estate Developers
- Exhibition
- Inclusive Design
- Interior Design firm
- Design Consultancy
- Set Styling

Any company that wants an Interior Design edge.

FREQUENTLY ASKED QUESTIONS

- **Do I need a high school qualification?**

You will need to have a National Senior Certificate with admission to a Bachelor's Degree.

SACAP REGISTRATION

- **Am I going to be a Professional Architect? How does this differ from a university degree like a B.Sc Architecture?**

- This is NOT an architecture degree. You won't have the title Architect or Architectural Technologist.
- You will NOT learn all the mathematics and structural calculations required in architecture for buildings.
- You will work with architects, but may NOT sign off drawings and plans unless you register with SACAP.
- + You will be a SPECIALIST in eco and green design.
- + You will learn to calculate Green Star Ratings (a system used to measure how 'green' a building is).
- + You will be able to register with the GBCSA (Green Building Council South Africa).

- **Will I be able to register with SACAP (SA Council for the Architectural Profession)?**
YES

- After working for 2x years after graduation, register with SACAP as a 'Candidate Draughtsman.'
- After 3x Years as a 'Candidate Draughtsman,' you can become a 'Registered Draughtsman.'

INTERIOR DESIGN

How does this differ from our existing Interior Design degree?

- INTERIOR DESIGN DEGREE

- Focus is on conventional Interior Design and problem solving.
- Projects are specifically focused on Interior Design / Decorating.
- You learn design to solve Interior Design problems.

- ENVIRONMENTAL DESIGN DEGREE

- Focus is mainly on Eco / Green design, materials, finishes and trends.
- Projects focus on larger problems, covering eco / green solutions in the building industry - this includes the Built Environment, Interior Design and Urban Design.
- You learn to calculate Green Star Ratings (measure how 'green' a building is)

- **Will I be able to register with the IID (African Institute for Interior Design)?**
Yes, you can register as an Interior Designer.

GREEN BUILDING COUNCIL

- **Can I register with the GBSA (Green Building Council South Africa)?**
- Yes - you can register as an AP (Accredited Professional) in any of their three categories.
- **Is Inscape registered with the GBSA (Green Building Council South Africa)?**
- Inscape is a member of the GBCSA and the IID as a Higher Education institution.
